### Authorization for Participation in DHS Band Program and for Medical Treatment

I hereby certify that, to the best of my knowledge, the above named student (child/ward) is in good health and I give my consent for him/her to participate in the Dalton High School band program for Dalton Public Schools during the 2017-2018 school year. In case of emergency or accident on the school grounds or during any school activity involving my child/ward, which, in the opinion of school authorities, requires immediate medical or surgical attention, I hereby grant permission to school authorities to obtain the service of a physician or medical personnel, including transport to a hospital or emergency treatment facility. I further grant permission to said medical personnel to treat said condition, unless I am present and request otherwise, or until I later request otherwise.

I understand and guarantee that I will be responsible for **all** charges incurred during the treatment of my child/ward, to include transportation, physicians, medical personnel, hospital, other treatment facility, or other expenses.

### Travel Permission / Liability Release For ALL Band Travel

I hereby give permission for the above named student (child/ward) to participate in all band travels. I understand that the trips will be under the supervision of an employee of Dalton Public Schools. By execution of this permission slip, the undersigned acknowledges that the proposed travel will be so supervised **but** may occur at an indoor/outdoor location other than on property owned by Dalton Public Schools and may expose participants to a non-school environment and to the actions of non-school personnel, which environment and personnel are beyond the control of Dalton Public Schools. The undersigned further acknowledges that these trips may involve motor vehicle travel away from school premises and that the method of transportation is within the discretion of Dalton Public Schools. The undersigned hereby releases individually and as parent and natural guardian of his/her participating child, the City of Dalton, Dalton Public Schools, Dalton Board of Education and any and all employees of same from liability for death, personal injury and/or property damage that may be sustained by the above referenced student.
